The Harry Potter series comprises seven books. And once you consume the first, you cant stop until you finish the entire seven books.While counting the number of words the entire book has may not motivate anyone to read them, knowing the word count wont hurt either.So,how many words do the Harry Potter books have? Well, its over a million words. Thats the total for all seven books combined.So, if you plan to consume over a million words from reading a novel, Harry Potter would be a wise choice. But it all boils down to your preferred genre. Not everybody enjoys fantasy literature.That said, Harry Potter is a book for adults and kids. The storylines are quite enchanting, and you could become addicted the longer you dwell on the book or, the more pages you consume.Which Harry Potter book has the highest and lowest word count?You may have come across this question a couple of times while researching about Harry Potter.Now, heres what you should know. Harry Potter series, as we mentioned before, boasts seven amazing books. So, the word count varies from one book to another.However, the title with the highest word count is the Order of the Phoenix. It has 257,045 words. But the Sorcerers Stone has the least word count, 76,944 words.Below are other Harry Potter books and their word counts.Chapter 1: Through The Trapdoor “I don’t know how you found out about the Stone, but rest assured, no one can possibly steal it, it’s too well protected.” Professor McGonagall’s wrong statement about the stone’s securityFluffy the three-headed dogThe next room, Professor Flitwick’s, holds a bunch of flying keys and some broomsticks. Harry finds a silver one with a broken wing that is different from the others and catches it, unlocking the next door with it. The next room is Professor McGonagall’s, and has a large chessboard, for a game of Wizard’s Chess that Ron helps them win, at the cost of having to sacrifice himself and getting knocked out. Harry and Hermione continue to the next room, Professor Quirrell’s, where they find an unconscious troll laying on the floor. Lastly, they enter Professor Snape’s room and find seven potions in bottles along with a roll of paper giving clues on which one to drink to continue, noting that three bottles have poison, two have nettle wine, one will send the drinker back, and the other will let the drinker move forward into the next room. Hermione tells Harry that it is a test of logic and not magic wherein most wizards fail. She solves the puzzle, and at Harry’s instigic, drinks the one that will allow her to head back through the purple flame, while Harry drinks the one to head into the black flame and into the final room, where he is surprised at whom he sees.Professor Quirrell removing his turbanShocking Facts About Harry Potter BooksEveryone who has heard about J.K. K. Rowling and the second novel in the Harry Potter series. The plot follows Harry’s second year at Hogwarts School of Witchcraft and Wizardry, during which a series of messages on the walls of the school’s corridors warn that the “Chamber of Secrets” has been opened and that the “heir of Slytherin” would kill all pupils who do not come from all-magical families. These threats are found after attacks that leave residents of the school petrified. Throughout the year, Harry and his friends Ron and Hermione investigate the attacks.Several commentators have noted that personal identity is a strong theme in the book and that it addresses issues of racism through the treatment of non-human, non-magical, and non-living people. Some commentators regard the story’s diary that writes back as a warning against uncritical acceptance of information from sources whose motives and reliability cannot be checked. Institutional authority is portrayed as self-serving and incompetent.You May Like: How To Save In Lego Harry Potter Nintendo Switch How Many Pages Are In The Us Versions Of The Harry Potter BooksHarry Potter and the Half-Blood Prince – 671Harry Potter and the Deathly Hallows – 781Registered users can ask questions, leave comments, and earn points for submitting new answers.Already have an account? Hagrid is the Keeper of the Keys and Grounds at Hogwarts.The Dursleys are terrified by Hagrid, and try to prevent him from taking Harry. Hagrid is horrified to learn that the Dursleys have kept Harry’s magical heritage from him. He tells Harry that he’s a wizard and the he’s famous. Harry also finds out the truth about his parents’ deaths and who Voldemort is. Hagrid tells Harry that when Voldemort killed Lily and James, he also tried to kill baby Harry too. However, for some reason, Voldemort’s curses didn’t work on Harry, and all that happened to the baby was that a lightning-bolt scar appeared on his forehead. Voldemort then disappeared. Some believe him to be dead, other think he’s still out there and biding his time, waiting until his powers return to him.After using magic to give Dudley a pig’s tail , Hagrid and Harry leave, ignoring the Dursley’s protests.Also Check: Harry Potter Vans Release Date A Guide To Collecting Harry Potter BooksThe Harry Potter series only began in 1997 and yet J.K. Rowling’s books have become highly collectible. It usually takes decades for a book to become collectible and gain significant value on the rare book market. AbeBooks has sold hundreds of copies of Rowling’s books at high prices, including a first edition of Harry Potter and the Philosopher’s Stone that sold for \$37,000. Do you have a valuable Harry Potter gathering dust under your bed?Demand for collectible Harry Potters has not decreased even though the last book in the series, Harry Potter and the Deathly Hallows, was published in 2007. The movies, Rowling’s high profile, and her non-Potter novels have kept interest alive.One simple guideline to collecting Potter books: anything signed by JK Rowling has significant financial value. A book signed by one of the illustrators is much less valuable.How Many Pages Are In The Harry Potter SeriesAsked by ibn e1703H @ in Entertainment & Music viewed by 21 PersonsHow many pages are in the US editions of the Harry Potter books?Harry Potter and the Sorcerer’s Stone – 309 pages,Harry Potter and the Chamber of Secrets – 341 pages,Harry Potter and the Prisoner of Askaban – 435 pages,Harry Potter and the Goblet of Fire – 734 pages,Harry Potter and the Order of the Phoenix – 870 pages,Harry Potter and the Half-Blood Prince – 652 pages,Harry Potter and the Deathly Hallows – 759 pages.You May Like: When Are Harry Potter Vans Coming Out Supporting Format: Pdf Epub Kindle Audio Mobi Html Rtf Txt Etcsupporting : Pc Android Apple Ipad Iphone EtcYou can read more books Harry Potter and the Sorcerers Stone, Book 1)) without learning how to speed read In this post, Im going to show you how to read more books Harry Potter and the Sorcerers Stone, Book 1)) in less time.Were going to cover the following topics:What is the average reading speed?How do I test my reading speed?How long does it take to read Harry Potter and the Sorcerers Stone, Book 1)) 100 pages?How long does it take to read Harry Potter and the Sorcerers Stone, Book 1)) 200 pages?How long does it take to read Harry Potter and the Sorcerers Stone, Book 1)) 300 pages?What you need to know before reading Harry Potter and the Sorcerers Stone, Book 1)) a book4 steps to reading a 240-page book Harry Potter and the Sorcerers Stone, Book 1)) in two hoursWhy you should pace your reading Harry Potter and the Sorcerers Stone, Book 1))When not to read this Harry Potter and the Sorcerers Stone, Book 1)) wayAlright, happy reading! Best Sellers Rank #14 in Audible Books & OriginalsChapter : The Vanishing Glass ‘Aunt Petunia often said that Dudley looked like a baby angel – Harry often said that Dudley looked like a pig in a wig.” Description of the Dursleys’ sonDudley counting his presentsTen years pass since the Dursleys have awoken to find Harry Potter lying on their doorstep, and Privet Drive and the Dursleys’ house has not changed since that day. The only difference is the vast number of pictures of Dudley Dursley throughout his life. There is no sign that Harry Potter lives there, however, in the Cupboard Under the Stairs, Harry sleeps, in a very cramped space with a lot of spiders. Petunia comes to his door and wakes him with a shrill voice. Harry is trying to think about the dream he had been having. It was about a flying motorbike, and he thinks he has had the same dream before. Aunt Petunia tells him to make some bacon, as she wants everything perfect for Dudley’s 11th birthday. Harry dresses into a pair of Dudley’s old clothes and goes into the kitchen, where the table is covered in Dudley’s presents.Don’t Miss: The Cursed Child Release Date Chapter : The Sorting Hat “If only the hat had mentioned a house for people who felt a bit queasy, that would have been the one for him.” Harry, about the Sorting HatPeeves, dropping stuff over the new first-year studentsThe new students are greeted at the castle door by Professor Minerva McGonagall, who tells them they will soon be sorted into their houses. All Hogwarts students live in one of four residences: Gryffindor, Hufflepuff, Ravenclaw, or Slytherin, with each house having its own team for Quidditch. The houses are in a year-long competition with one another to acquire the most points, which are earned by success in Quidditch games and given by teachers for academic achievement and for student infractions, in order to win the House Cup awarded at the end of the year. The first-years wait in an antechamber while McGonagall checks to see whether it is time yet. The Hogwarts ghosts glide into the room by mistake while Peeves another chance.After a brief mental discussion with the hat in which it tries to suggest Slytherin to him, the hat places Harry in Gryffindor. Harry is pleased to find that Ron joins in Gryffindor with him. Draco Malfoy is placed in Slytherin.Publication And Reception In The United KingdomBloomsbury accepted the book, paying Rowling a £2,500 advance, and Cunningham sent proof copies to carefully chosen authors, critics and booksellers in order to obtain comments that could be quoted when the book was launched. He was less concerned about the book’s length than about its author’s name, since the title sounded like a boys’ book to him, and he believed boys preferred books by male authors. Rowling therefore adopted the nom de plumeJ.K. Rowling just before publication. In June 1997, Bloomsbury published Philosopher’s Stone with an initial print-run of 500 copies in hardback, three hundred of which were distributed to libraries. Her original name, “Joanne Rowling”, can be found on the copyright page of all British editions until September 1999. The short initial print run was standard for first novels, and Cunningham hoped booksellers would read the book and recommend it to customers. Examples from this initial print run have sold for as much as US\$33,460 in a 2007 Heritage Auction.Harry Potter and the Philosopher’s Stone won two publishing industry awards given for sales rather than literary merit, the British Book Awards Children’s Book of the Year and the Booksellers’ Association / Bookseller Author of the Year. By March 1999 UK editions had sold just over 300,000 copies, and the story was still the UK’s best-selling title in December 2001. A Braille edition was published in May 1998 by the Scottish Braille Press.Don’t Miss: Harry Potter And The Cursed Child Movie Release Date Harry Potter And The Final Chapter: How Do The Books And Films CompareDescribed by many fans as the end of an era, the final film in the Harry Potter franchise – The Deathly Hallows Part 2 – premiered in London yesterday.After days of waiting, thousands of fans finally got the opportunity to see the stars of the film, Emma Watson, Rupert Grint and Daniel Radcliffe walk the red carpet together for one last time.Author of the seven part series, JK Rowling, was also in attendance at the event which took over Trafalgar Square and screened at Leicester Square.
